Congratulations! Now you are on Instagram. You have found an interesting page where teenagers are commenting on TV series they like.

Sharon #Victoria The best series I've seen for a long time is without doubt Victoria. It's amazing! The costumes, the acting and the settings are just so real! It tells the story of the Young Victoria as she becomes Queen of England. It's a beautiful love story too. I'd definitely recommend it to anyone who loves history, romance and a good dose of drama too.

Gheev #StrangerThings Absolutely fantastic! You should watch 'Stranger Things', the best TV series ever. Eleven, my favourite character, is amazing. I love her acting skills. She's so spooky! I also like Will's friends, Mike, Dustin and Lucas, riding their bikes everywhere. I admit I sometimes have to cover my eyes because I can't stand the tension. It's quite cool because it's a mystery right up to the last episode.

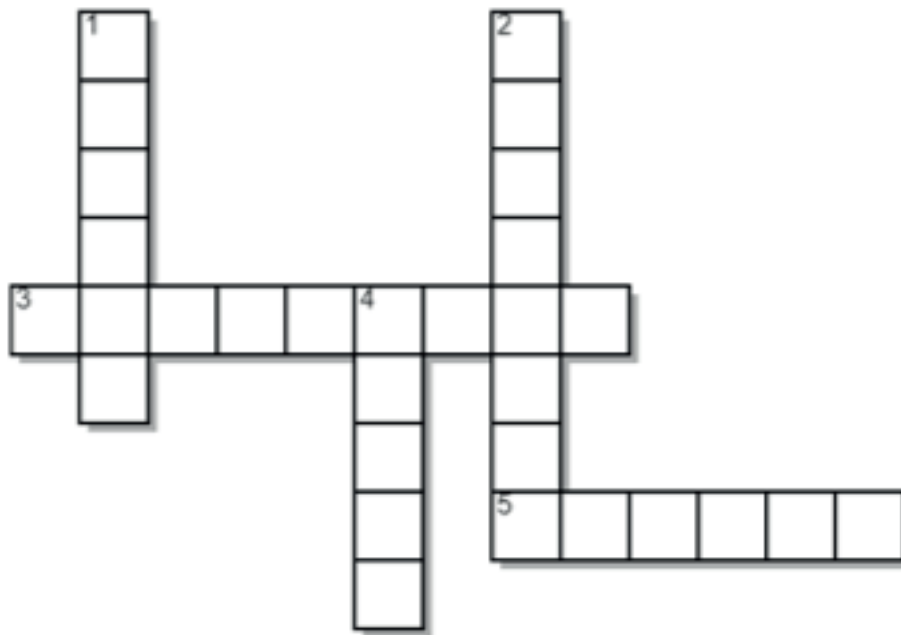

Brandon #TheBigBangTheory I'm a huge fan of the sit-com 'The Big Bang Theory'. It's been on for 11 years and I haven't ever missed an episode. The main character, Sheldon Cooper, is such a strange person that you can't stop laughing at the things he says and does. The original four friends, most of them with a PhD and high intellectual level, contrast with Penny, the neighbour who works as a waitress and is so good-looking that Leonard falls hopelessly in love with her. I'd definitely recommend it to those who want to have a laugh.

Tony #Daredevil I enjoyed watching Netflix's 'Daredevil' based on the Marvel comic character Daredevil. I think that the series is much better than the comics. It is set in Hell's Kitchen, a dangerous neighbourhood of New York City full of vice and crime. Matt Murdock, a blind lawyer and master of martial arts, is also Daredevil. Matt and his best friend "Foggy" Nelson fight the evil businessman Wilson Fink, whose interests in the future of Hell's Kitchen threaten everybody in town. If you like action and superheroes this is your show!
