Hi!

This is Lisa! How are you?

We are very happy with your visit next July because we are taking you to Legoland. Do you know Legoland? Legoland is a famous theme park present in England, Denmark, Germany, China and United States. There is one here in London called Windsor Legoland and is dedicated to children aged 3-15 years old.

It is located in 150 acres of beautiful parkland, so is an exclusive family theme park. Here, we can play our part in a world of LEGO® adventure thanks to more than 55 interactive rides, live shows, Lego blocks workshops, and driving schools, where we can learn how to drive as English people do. Do you know that we drive on the left opposite to Spain?

There is also a part in the park called Mini-Land made from almost 40 million LEGO® bricks where you can find miniatures of different parts and monuments of London, like The London eye, The Tower Bridge, Saint Paul's Cathedral, The Houses of Parliament where you can hear the Big Ben and Buckingham Palace. Mini-land is so cool!! We can take photos of the monuments and feel like giants!

Later we can take a train from THE BEGINNING to the heart of Legoland and enjoy the views of the park and have lunch in its very cheap restaurants. We can choose snacks or a full meal from the great selection of hot and cold food. And if we don't like it, don't worry, there are many fast food places, like their largest restaurants, All-You-Can-Eat pasta, Fish & Chips shops, pizzas, and Salad buffet, a perfect way to relax and prepare us for our next adventure. We can have tea too! Do you like tea? I like it so much!

We can also go and watch a movie in the 4D cinema. It has many special effects like rain, wind, smoke, and water sprays. We need special glasses to enjoy our cinema heroes. This year, the movie is about Lego Harry Potter. Do you know him? He is a very celebrated book character in The United Kingdom. I love his books! Do you like reading?

After the cinema, we are going to celebrate my father's birthday in The Birthday Club! It is a club to celebrate a birthday party. We can choose and design the birthday invitations, have a full use of all our attractions, use of a private party room for 45 minutes including party food and drink (e.g. ham, cheese & chicken rolls, fruit, juice drink, crisps & sweets) and don't forget the great chocolate birthday cake.

The entrance tickets to the park are only £12 (pounds) but celebrating my father's birthday in the park gives us the opportunity to have an annual free pass! It's so incredible!

Well, hope to see you soon!

We are going to have an incredible time in Legoland!

Bye!

Lisa
